PLEASE PRINT CLEARLY:

Laser Engraved Brick Fund Raiser

The Cardington Community Food Pantry is raising funds to erect its own facility in 2022. With the new building, we plan to create a landscaped front entry way in appreciation of all the community support and donations we've received over time. This entry will display laser-engraved bricks that you can personalize. For example you can memorialize or share in honor of a loved one or an organization or you can engrave with your favorite Bible verse. Be creative!

THANK YOU FOR YOUR SUPPORT!

Images shown above are for example only.

Cardington Community Food Pantry Board reserves the right to review all engravings and revise as needed prior to placing final brick orders.
